

 DELTALIGHT<sup>®</sup>

The background of the entire slide is a dramatic sunset or sunrise over a body of water. The sky is filled with dark, heavy clouds, through which bright rays of light (crepuscular rays) are streaming down towards the horizon. The water in the foreground is calm, reflecting the golden light from the sky. In the lower right corner, a small silhouette of a person in a boat is visible, adding a sense of scale and tranquility to the scene.
